Dear Valued Clients, Consultants and Administrators

NEW ONLINE SERVICE AVAILABLE TO CLIENTS

As a leading investment boutique and investment platform provider, we are continuously exploring new ways to improve our offering to you in terms of keeping you informed and up to date on your investments in a manner that suits your specific requirements.

For this reason, we will be launching a secure front-end online service in March 2017 that will enable authorised users to access a variety of client specific reporting, fund reports and raw data at their convenience. Authorised users will also be able to send instructions via this service replacing the need for paper and e-mail based instructions.

On top of this, we have many more enhancements planned for 2017 that will make our clients lives even easier.

Watch your inbox in the New Year for more information.

Kind regards
