Dear Clients and Consultants

### **OLD MUTUAL MULTI-MANAGERS WINS TOP SA RETIREMENT INDUSTRY AWARD AGAIN**

It is with great pleasure that we write to inform you that Old Mutual Multi-Managers has once again received the award for best Manager of Managers of the Year (Multi-Managers) during the annual Batseta Imbasa Yegolide Awards gala dinner held last night in Pretoria. This is the third consecutive year that Old Mutual Multi-Managers has walked away with this prestigious award. This is proof that we approach investing as a partnership with our clients, and FutureFocus is at the core of this relationship. It's a promise to you that we will devote all our expertise, skills and insights to help you achieve your investment goals.

The awards recognise participants in the South African retirement industry who consistently demonstrate professional excellence and an exemplary service ethos. This is exceptionally important to us as a business and explains why we live by "No half measures. No shortcuts. No excuses. Just 100% commitment to delivering on our promise of service excellence to you." – an extract from our Customer Promise.

At the same awards ceremony, Old Mutual Corporate was also recognised for the valuable contribution it is making to the lives and futures of South Africa's retirement fund members by receiving two awards.

I can assure you that none of our achievements would be possible without the support of our loyal clients. We appreciate the high standards our clients hold us to, and this will hopefully help us keep winning together.

Kind regards
